Draft Course Offerings 2016-2017

Below are the planned courses to be offered during the 2016-2017 academic year. This list may be updated throughout the year. While every effort is made to ensure the accuracy of this list, the Timetable of Class Meetings should be considered the official listing of courses each term.

Note that sign-up for laboratory (60s) and seminar (80s) courses for 2016-2017 will begin May 1, 2016 and will be handled via the PBS web form. Instructions will be posted on http://pbs.dartmouth.edu/undergraduate/permission-courses.

Summer Term 2016
11. Laboratory in Psychological Science. Manning, 2A.
25. Developmental Psychology. Scheiner, 2A.
