2021-2022 PSYC COURSE LIST
Below are the courses to be offered during the 2021-2022 academic year. While every effort is made to ensure the accuracy of this list, the Timetable of Class Meetings should be considered the official listing of courses each term. Note that although we have included numbered times, we are not certain whether the college will revert to these original numbered time blocks or retain the new lettered time blocks.

Note that sign-up for 60s-level and 80s-level courses for 2021-2022 will begin on July 11, 2021 via the PBS web form. See: http://pbs.dartmouth.edu/undergraduate/permission-courses. In light of the current situation, this date is subject to change.
