Department of Psychological and Brain Sciences

PSYC 90: Independent Research Checklist for Neuroscience Majors

This checklist will guide you in preparing a successful request for approval to enroll in an independent research course for laboratory or field research. It is intended to help you plan for the course after conferring with your advisor.

Print Student Name

Student ID

Date Submitted

Indicate term(s) in which you would like to enroll in PSYC 90 (e.g. Fall 2016, Winter 2017)

- I have taken PSYC 6 or BIOL 34 as a prerequisite
- I have taken PSYC 10 or BIOL 29 as a prerequisite
- I am NOT counting PSYC 90 as an elective toward my neuroscience major.
Note: You may count PSYC 90 as your culminating experience.
- I have an advisor who will supervise my Independent Research

Print Name of Advisor

Signature of Advisor

- If your advisor is NOT a faculty member in the Department of Psychological and Brain Sciences (PBS), you must have a PBS faculty member serve as a secondary advisor and sign below.

Print Name of Secondary Advisor

Only necessary if primary advisor listed above is not in PBS

Signature of Secondary Advisor

Submit completed checklist to the Psychological and Brain Sciences main office, Room 103 Moore Hall. The office is open Monday-Friday, 8am-noon and 1pm-4pm.

For department use only

Signature of Undergraduate Advisor
