PSYC 70: Independent Research Checklist for Neuroscience Majors

Complete this checklist in order to obtain Instructor Permission to enroll in PSYC 70. It is intended to help you plan for the course after conferring with your advisor.

Print Student Name

Student ID

Date Submitted

Indicate term(s) in which you would like to enroll in PSYC 70 (e.g. Fall 2026, Winter 2028)

- I have taken PSYC 6 as a prerequisite
- I am taking no more than three terms of PSYC 70/PSYC 90/PSYC 91/93 and understand that only two terms can count towards my major requirements.
- I am NOT using PSYC 70 to fulfill the culminating experience requirement for my major.
- I have attached a description (typically a one-paragraph abstract) of the research topic.
- I understand that I am required to submit a final report (3-5 pages) that summarizes my project and experience at the end of my research term. This report should be submitted to your advisor, and to Nikki Boyle (Nikki.Boyle@dartmouth.edu), by 5pm on the last day of classes.
- I have an advisor who will supervise my Independent Research

Print Name of Advisor

Signature of Advisor

- If your advisor is NOT a tenured/tenure-track faculty member in the Department of Psychological and Brain Sciences (PBS), the Chair of the Neuroscience Committee must sign below.

Chair of the Neuroscience Committee

Only necessary if primary advisor is not regular faculty in PBS

Submit completed checklist and research topic description by email to the Psychological and Brain Sciences Department, psychological.and.brain.sciences@dartmouth.edu.
