## ABOUT CAMP TRIUMPH

### THERAPEUTIC DAY CAMP

We offer a supportive and encouraging environment designed to help children increase their social and regulation skills and improve their self-esteem and self-confidence.

### CAMPERS

Our campers have difficulty with social skills and self-regulation. Many have diagnoses consistent with neurodevelopmental disorders and/or mental health challenges (e.g., ADHD, autism spectrum disorder, anxiety).

### ACTIVITIES AND INTERVENTIONS

Campers participate in a range of recreational and non-competitive activities including swimming, arts and crafts, cooperative games, and field trips. Our trained staff use social skills training, behavioral interventions, and therapeutic activities to build critical skills.

**LOCATED IN**  
**NORTH READING, MA**

## WHY CHOOSE US?

Unique opportunity to gain hands-on experience in a supportive, real-world setting. Counselors are supervised by licensed clinicians. Practicum opportunities are available.
